

This architectural floor plan shows a large building with a complex layout of rooms and corridors. A specific area in the bottom right corner is highlighted in red, indicating the intervention zone. This red area includes a long corridor with several rooms, a larger room with a circular feature, and a staircase. The rest of the plan is shown in a light gray line-drawing style, with various rooms, corridors, and a central courtyard area visible. The plan is oriented with North at the top, as indicated by a small circle with an 'N' in the top right corner.

This architectural floor plan shows a building layout with a central yellow highlighted area. The plan includes various rooms, corridors, and a central courtyard. The yellow area is located in the center-right of the plan, containing several rooms and a large open space. The surrounding areas are outlined in black and white, with some rooms containing furniture or equipment. The plan is oriented with North at the top, indicated by a compass rose in the bottom right corner.

This architectural floor plan shows a building layout with a central green highlighted area. The green area contains several rectangular rooms and a larger open space. To the right of the green area is a long, narrow corridor or hallway. Further right are several rooms, some of which are highlighted in blue. The plan includes various symbols for doors, windows, and furniture, as well as a north arrow in the bottom right corner.

The image shows a detailed architectural floor plan of a building. The plan is oriented with a north arrow in the top right corner. The layout includes a central corridor with a staircase. On the left side, there is a large room with a cyan background, containing several windows and a circular feature. The central area is filled with various rooms, some of which are labeled with 'A' and 'B' at the top and bottom. The rooms are furnished with desks, chairs, and bookshelves. The plan is drawn with black lines on a white background, with some rooms highlighted in cyan and others in light blue. The overall design is functional and organized, with a clear flow of movement through the central corridor.

This architectural floor plan depicts a building layout with several distinct sections. A large blue-shaded area on the left side contains a room with a circular feature, possibly a clock or a large window. Below this, a green-shaded area at the bottom left includes a room with a circular feature and a staircase. The central part of the plan shows a complex arrangement of rooms, corridors, and a central staircase area. The right side of the plan features a long, narrow corridor and a room with a circular feature. The overall layout is symmetrical, with a central corridor running through the middle. The plan includes various architectural details such as doors, windows, and furniture, providing a comprehensive view of the building's interior.

II LOTTO DI INTERVENTO		
TIPOLOGIA MANUFATTO	PARZIALE	TOTALE
